## SUMMARY

Final-year Computer Science Engineering student with experience building software applications using Java, Python, JavaScript, SQL, and React. Strong foundation in Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, and Computer Networks. Hands-on experience through AI internship and software development projects. Passionate about building scalable software and continuously learning new technologies.

## TECHNICAL SKILLS

Programming Languages: Java, Python, JavaScript

Computer Science: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Web Technologies: HTML, CSS, React, Next.js

Databases: SQL, MongoDB

Tools: Git, GitHub, VS Code, IntelliJ IDEA

AI/ML: OpenCV, Scikit-learn, Streamlit

## PROJECTS

**Driver Drowsiness Detection System** | Java, OpenCV, Computer Vision

- Developed a real-time drowsiness detection system using Java and OpenCV.
- Implemented eye detection to identify prolonged eye closure and trigger alerts.
- Applied computer vision and object-oriented programming principles to improve detection reliability.

**Student Management System** | Python, Tkinter, MySQL

- Built a desktop application to manage student records.
- Implemented CRUD operations using Python and MySQL.
- Designed a simple GUI for efficient data management.

## INTERNSHIP EXPERIENCE

**AI Developer Intern — VISWAM.AI**

2025

- Developed AI-powered applications and contributed to real-world software solutions.
- Processed and curated datasets to support AI model training and evaluation.
- Contributed to application development, testing, and debugging using modern AI tools and technologies.
- Collaborated with team members to improve AI-based solutions and software workflows.

## EDUCATION

**Bachelor of Technology (B.Tech) – Computer Science Engineering**

Expected Graduation: 2027

ICFAI Foundation for Higher Education, Hyderabad

CGPA: 7.76

## CERTIFICATIONS

- AWS Certified Cloud Practitioner – Amazon Web Services (AWS)
- Microsoft Certified: Azure AI Fundamentals (AI-900) – Microsoft
